Dear Sirs,

The Lithuanian Educational Research Association (LERA) was established on 24 March, 1998. Our Association unites 55 members from almost all Lithuanian universities, several schools and research institutions. It was officially registered under the permission of the Prime Minister of Lithuania.

We would like to join the European Educational Research Association as a collective member and would appreciate if you could confirm the size of the fee for our membership. We will send you the check as soon as we have your confirmation.

Looking forward to hearing from you soon.

Sincerely yours,

Prof. Palmira Juceviciene, President  
Lithuanian Educational Research Association
